- Provisional

Sustainable Development Goals:

The United Nations has formulated the Sustainable Development Goals (SDGs) to foster development that promotes social, economic and environmental sustainability. The 17 SDGs aim to provide effective solutions to various social and economic development issues including poverty,

hunger, health, education, global warming, gender equality, water, environment and social justice. One of the important Sustainable Development Goals, SDG 8, aims to promote sustained, inclusive and sustainable economic growth and provide decent employment opportunities for all.

The Tamil Nadu State Planning Commission has set the following target for the Department of Tourism pertaining to this goal:

"By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products."

In order to achieve this target, various steps have been taken by the Department of Tourism as listed below:

1. The Tamil Nadu Tourism Policy aims to create an enabling environment to promote inclusive tourism growth by

incorporating sustainability as an underlying principle in all its activities and initiatives. The Policy proposes strategic initiatives that accelerate economic growth through multiplier effect.

2. The Department of Tourism has published a list of skill development courses on the Tamil Nadu Tourism website to equip youth with requisite skill sets in various tourism related activities and benefit from employment opportunities in the sector.
3. The Department of Tourism has published promotional videos on various digital media platforms to promote the local culture and products of the State. These videos highlight the attractiveness of tourist destinations by showcasing mesmerizing landscapes, splendid cultural heritage, stunning architecture, pristine beaches,

therapeutic waterfalls, traditional art forms, renowned crafts and cuisine.

4. Adventure and eco-camping sites are being set up at lesser-known destinations to promote niche tourism segments like eco-tourism and adventure tourism that create livelihood opportunities and improve the standard of living for local communities.

Owing to the dedicated efforts taken up by the Department of Tourism to achieve this target, there has been a considerable increase in the tourist footfalls to the State. In 2020, Tamil Nadu emerged as the top State for Domestic Tourist Visits, accounting for 23% of the total domestic tourist visits with 140 million domestic tourists. The State also occupied the second spot for Foreign Tourist Visits for 2020, accounting for 17.1% of the total foreign tourist visits to India with 1.2 million foreign tourists.

Recovery from COVID:

The implementation of innovative tourism development strategies with strict adherence to COVID protocols and massive COVID vaccination campaigns by the Tamil Nadu Government has benefited all segments of the tourism and hospitality industry during the COVID pandemic. Adherence to strict COVID protocols such as mandatory temperature checks, compulsory masks, social distancing, frequent sanitization, contactless ticketing, digital billing and effective crowd management have instilled confidence in tourists and all stakeholders.

In order to ensure the creation of a safe and secure tourism environment, a committee was formed by the Government of Tamil Nadu to draw the "**Revival plan for Tourism Sector in Tamil Nadu after lockdown of COVID-19**". The recommendations of the committee coupled with the operational guidelines of the Health

Department helped in gradual revival of tourism sector post pandemic.

13.2 Tamil Nadu Tourism Promotion and Development Committee

The Government of Tamil Nadu has reconstituted the existing “**Tamil Nadu Advisory Committee**” as the “**Tamil Nadu Tourism Promotion and Development Committee**” to advise the Government on measures needed for rapid development of tourism and tourist centres in the State.

13.3 Guidelines for registration of tourism operators

To streamline the tourism industry, standardize operations and quality of service and ensure the safety of tourists, the Department of

Tourism has formulated guidelines for the registration of the following tourism operators:

1. Adventure Tourism (Air, Land and Water)-Guidelines:

The tourism industry is currently witnessing a shift from destination-based tourism to experience-based tourism. Owing to the growing popularity of adventure tourism in the State, a significant rise has been witnessed in the emergence of Adventure Tourism Operators in Tamil Nadu. In order to streamline and standardize the operations and ensure the conduct of safe, accessible and sustainable Adventure Tourism Activities in the State, guidelines have been formulated for the registration of Adventure Tour Operators in the State engaging in conducting adventure activities like trekking, off-roading, nature walks, ziplining, paragliding, boating, surfing, scuba diving, bungee jumping, hot air balloon rides etc.

2. Caravan Tourism and Caravan Parks-Guidelines:

Caravan Tourism has gained immense popularity globally, owing to its flexibility, comfort and safety. This Niche Tourism segment attracts a wide range of tourists including youth, families, senior citizens and international tourists. In order to promote Caravan Tourism in the State and facilitate the development of Caravan Parks, detailed guidelines have been formulated for the registration of Caravan Tour Operators and Caravan Park Operators.

3. Camping Sites-Guidelines:

Camping has emerged as a popular recreational activity among tourists seeking immersive experiences in the State. Owing to the growing popularity of this niche tourism segment, the State has witnessed an emergence of camping sites in popular hill stations like Ooty, Kodaikanal, Yelagiri etc. In order to facilitate the promotion

and development of Camping Sites and streamline eco-camping activities in the State, guidelines have been formulated for the registration of Camping Operators and classification of Camping Sites into two categories, namely Standard and Premium.

4. Homestays and Bed & Breakfast Establishments-Guidelines:

Homestays provide an opportunity for tourists to explore the authentic culture and hospitality of the residents from the local communities. Homestay establishments and Bed & Breakfast establishments have emerged as an excellent means of improving hospitality infrastructure at tourist destinations where full-fledged hotels may not be available. Guidelines have been formulated for the registration, classification and re-classification of homestay establishments and Bed & Breakfast

establishments into two categories, namely Gold and Silver.

13.4 Master Plan for 300 sites

The Department of Tourism has prepared Master Plans for 300 tourist destinations across the State. These Master Plans provide an integrated and holistic framework to develop and upgrade infrastructure and amenities on par with the industry standards of quality, safety and comfort at selected destinations.

13.5 Tourism Awards

In order to promote tourism and encourage various tourism stakeholders who are actively contributing to the growth of tourism sector, the Government of Tamil Nadu has introduced **Tamil Nadu State Tourism Awards**. These Awards will be presented annually on September 27th, World Tourism Day. Tourism Awards will be given in 17 categories covering various stakeholders such

as tour operators, airlines, accommodation units, restaurants, guides etc. This year, the first edition of the Tamil Nadu State Tourism Awards will be held on September 27th, 2022.

13.6 Government of India Assisted Scheme

13.6.1 Swadesh Darshan Scheme

The Ministry of Tourism, Government of India (MoT, GoI) has launched the Swadesh Darshan Scheme to develop theme-based tourist circuits having tourist potential in a planned and prioritized manner.

Under this scheme, a sum of Rs.73.13 crores has been sanctioned for the development of Coastal Tourism Circuit in Tamil Nadu, linking important tourist locations from Chennai to Kanniyakumari. Major tourist destinations developed under this circuit include Marina Beach and Besant Nagar Beach in Chennai district, Mamallapuram Beach in Chengalpattu district,

Rameswaram Beach at Ramanathapuram district, Kulasekarapattinam at Thoothukudi district and Kanniyakumari, Therkuruchi & Manakudy Estuary at Kanniyakumari district. All the works under this scheme have been completed and put into use.

14. Proposed Projects

14.1 Development of Rameswaram under 'PRASHAD' Scheme

The Ministry of Tourism, Government of India (MoT, GoI) has launched the "Pilgrimage Rejuvenation and Spiritual, Heritage Augmentation Drive (PRASHAD)" scheme to enhance tourism attractiveness of identified pilgrimage destinations by providing well-planned tourism infrastructure. Under this scheme, Rameswaram has been identified for comprehensive development and a Detailed Project Report has been prepared by a consultant. This proposal has received in-principle approval

by the Ministry of Tourism, Government of India for sanction of funds.

14.2 Development of Mamallapuram as an Iconic Site

The Ministry of Tourism, Government of India has identified Mamallapuram as one of the iconic sites for development and the Initial Project Report has been prepared for an amount of Rs.461.22 crores by a consultant. This Project Report is under consideration of the Ministry of Tourism, Government of India for sanction of funds and Coastal Regulation Zone clearances are being obtained for the project.

15. Tamil Nadu Tourism Policy

The Government of Tamil Nadu is in the process of framing a tourism policy that would be a catalyst to transform the tourism industry to become a leading employer and driver of economic growth. The Policy also aims to confer industry status to tourism and proposes strategic

initiatives, incentives and requisite regulatory reforms to facilitate private investment and participation in the tourism sector. The Policy strives to create a sustainable tourism ecosystem in Tamil Nadu and lays emphasis on providing a safe and high-quality experience for tourists and creating a confident and conducive environment for investment in tourism.

16. Tamil Nadu Tourism Development Corporation (TTDC)

Tamil Nadu Tourism Development Corporation was incorporated on 30.06.1971 to provide accommodation, conduct various types of tours, operate Boat Houses and conduct fairs and festivals in Tamil Nadu. This year, TTDC has celebrated 50th anniversary of its incorporation. TTDC has a chain of 53 Hotels and a fleet of 14 Coaches under its umbrella. Youth Hostels established at Ooty, Kodaikanal and Yercaud cater to students and budget tourists. Some of the

hotels have been leased out / franchised and the rest are managed by TTDC.

17. Hotel Division

TTDC currently owns 53 properties, of which 28 hotels are operated directly while the rest are leased out. TTDC has been taking consistent efforts to upgrade its properties, improve service delivery and thereby meet the expectations of the tourists/guests. Regular training sessions are conducted for the hotel staff to upgrade their technical knowledge, managerial and operational skills.

Upon completion of the lease period, Hotel Tamil Nadu Ranipet, Coonoor and Tirunelveli were taken over by TTDC. Ranipet and Coonoor have been renovated and upgraded with latest amenities and facilities and are being operated by TTDC.

17.1 Upgradation of TTDC Hotels

Upgradation and renovation of the following hotels were been taken up in 2021-2022:

- 1. Beach Resort Complex, Mamallapuram
- 2. Hotel Tamil Nadu, Madurai -II
- 3. Hotel Tamil Nadu, Tiruchendur
- 4. Hotel Tamil Nadu, Kanniyakumari
- 5. Hotel Tamil Nadu, Coimbatore

18. Boat Houses

The vast landscape of Tamil Nadu is home to numerous water bodies that provide a perfect backdrop for boating and adventure activities. TTDC operates 8 Boat Houses at Muttukadu, Mudaliarkuppam, Ooty, Pykara, Kodaikanal, Yercaud, Pichavaram and Courtallam which offers a serene getaway experience to the tourists through a mix of adventurous boating and water sports activities at these locations.

18.1 Boat House, Muttukadu

Muttukadu, a popular weekend getaway from Chennai is a perfect destination for adventure and leisure activities. Located on the Muttukadu backwaters, this water sports facility offers a thrilling boating experience and avenues for a day-long outing and entertainment with facilities like Motor Boats, Row Boats, Speed Boats and Water Scooters. Latest water sports equipment such as Water Cycles and Kids Pedal Boats have been introduced at the boat house to attract tourists.

18.2 Boat House, Mudaliarkuppam

Located on the East Coast Road on the Odiyur lake backwaters, Mudaliarkuppam Boat House, also known as Raindrop Boat House offers relaxation and rejuvenation for tourists. This facility is situated about 36 Km away from Mamallapuram and 92 Km away from Chennai.

Motorboat trips arranged to a nearby picturesque beach Island are a major highlight of this destination. One can spot migratory birds during the ride to the Island and relish coastal delicacies at the Boat House restaurant. The Boat House has rowboats, pedal boats, single-seater kayaks, banana boats, water scooters, motorboats and jet skis. The latest-model Canoe Boat has been introduced to attract tourists.

Eco-friendly beachfront development activities with water sports facilities are being carried out at the beach island to enhance tourist visitations and position Mudaliarkuppam boat house as a unique recreational destination.

18.3 Boat House, Udhagamandalam

Located in the heart of Ooty, the "Queen of Hill Stations", Ooty lake covers an area of 85 acres and offers a vibrant rejuvenating experience to the tourists. Boating is a prime attraction at Ooty Boat House, which has pedal boats,

rowboats and motorboats. The restaurant at the boat house offers lip smacking delicacies. The water sports facility offers great avenues for recreation including a mini train ride. TTDC is setting up a glamping site with adventure and eco camping activities at Ooty Boat house to provide alternative recreational avenues to tourists and promote growth and development of adventure tourism in the State.

18.4 Boat House, Pykara

The Pykara Reservoir is located about 21 Km from Ooty on the Udhagamandalam - Mysore Road and offers a breathtaking scenic view for the tourists. This pristine water body attracts a large number of tourists and offers exciting rides on motorboats and speed boats. The restaurant operated by TTDC offers delicious snacks and savouries. This year, 2 new speed boats have been purchased and deployed at Pykara Boat house for the benefit of tourists.

18.5 Boat House, Kodaikanal

TTDC operates two Boat Houses at Kodaikanal, a popular tourist destination of the State, fondly referred to as the "Princess of Hill Stations". TTDC offers a splendid experience to the tourists at the star-shaped lake spanning across 59 acres. Latest water sports equipment such as Water Cycle and Canoe Pedal boats have been introduced at the boat house to attract tourists.

18.6 Boat House, Yercaud

Popularly known as the "Jewel of the South", Yercaud is a pristine destination situated in Shervaroy range of hills in the Eastern Ghats. Covering an area of 28.40 acres, the Yercaud lake is a popular sightseeing spot that provides a perfect venue for boating with pedal boats, rowboats and motorboats and attracts tourists from far and wide. Latest-model Boats such as

the 2-Seater and 4-Seater Swan type Pedal Boats have been introduced to attract tourists.

18.7 Boat House, Pichavaram

Pichavaram is renowned for its vast mangrove forests that are a heaven to migratory birds spanning across an area of 5.27 acres. The Pichavaram boat house offers great avenues for scenic boat rides amidst a calm and soothing environment. Efforts are being taken to renovate the existing restaurant and kitchen to cater to the needs of the tourists.

18.8 Boat House, Courtallam

Often referred to as the “Spa of the South”, Courtallam is a popular tourist getaway located in the Western Ghats in Tenkasi district. This wellness tourism destination is home to scenic surroundings and spectacular waterfalls. The Boat House at Courtallam is operational during the months of June, July and August. Facilities offered

at the boat house include rowboats, pedal boats and kayaks.

18.9 Telescope House

TTDC operates Telescope Houses in popular hill stations, namely Doddabetta at Udthagamandalam, Kodaikanal and Yercaud. The Telescope Houses attract large numbers of tourists for the panoramic views of the valleys. The snack bar at Doddabetta offers regional delicacies and has been renovated.

18.10 Blue Flag Beach, Kovalam

Kovalam Beach, located about 40 km away from Chennai, has the distinction of being the first beach in Tamil Nadu and the 9th beach in India to be awarded the prestigious Blue Flag certification by the Denmark-based Foundation for Environment Education (FEE). This eco-level tag is awarded to clean and well-managed beaches and marinas fulfilling globally recognized standards.

Criteria for qualifying for the certification include eco-friendly environment, safety services, water quality, educational and accessibility standards.

TTDC took over the operations and maintenance of Blue Flag Beach from the District Administration of Chengalpattu on 23.10.2021.

The major facilities available at Kovalam beach include safety surveillance services and visitor amenities like, a safe swimming zone area, shower change area, drinking water facility, outdoor fitness equipment, children's play area, reclining bamboo lounge chairs, hammocks, sit out umbrellas, toilet blocks and bamboo made litter bins. Life Guards have been stationed at the watchtower for any emergency call and First Aid attenders have been deputed at the site to attend to any untoward incident for the tourists.

TTDC is taking varied efforts to promote Kovalam Blue Flag Beach as a recreational

destination. In this regard, Beach Yoga was organized on 05.03.2022 and 06.03.2022 as a part of International Women's Day. The event witnessed participation from women residents, college students and school students of Chennai and Kovalam.

19. Tours and Transport Division

TTDC offers splendid and memorable travel experiences to visitors through various tour and travel packages highlighting the tourism wealth of the State.

The organization runs a fleet of 14 luxury coaches comprising 35 seater AC(4), 35 seater Non-AC(3), 18 seater AC(3), 45 seater Volvo AC (1) and 43 seater Volvo AC(3). Action is being taken for increasing the fleet strength of TTDC coaches.

Among the various tours operated by TTDC, One-day Tirupati Tour, 3 days Navagraha Tour,

8 Days Tamil Nadu Tour and 8 days East-West Coast Tour are the most popular among the tourists.

Apart from these tours, TTDC has also been organizing custom-made tours, LTC tours for Government employees and educational tours for school students. Action is being taken to operate recreational boat services from Thiruvotriyur fishing Harbour in association with Royal Madras Yacht Club. In this regard, in principle approval has been received from the Fisheries Department.

19.1 Tour Packages of TTDC

19.1.1 Tirupati Tour package

One day Tirupati Tour package is the most popular tour among the trips conducted by TTDC. The Online Reservation system of TTDC has been fully integrated with Tirumala Tirupati Devasthanam's (TTD) system which enables seamless booking and darshan for tourists.

Tirumala Tirupati Devasthanam (TTD) offers 150 Seegra darshan tickets per day to TTDC for the benefit of pilgrims visiting from Tamil Nadu. To cater to the increasing demand of pilgrims, TTDC has requested Tirumala Tirupathi Devasthanam to increase the daily allotment of Seegra Darshan tickets.

19.1.2 Special Darshan tickets

In order to increase the attractiveness of TTDC's Temple Tour packages, the Hindu Religious & Charitable Endowments Department has permitted special darshan tickets for tourists travelling under TTDC package tours at 33 major temples in the State.

19.1.3 Tour Packages from major cities of Tamil Nadu

To commemorate the 50th anniversary of TTDC and meet the growing demand of tourists, special tour packages have been introduced from

major cities of Tamil Nadu like Coimbatore, Trichy and Madurai.

TTDC has also launched the following tour packages in 2021-2022:

1. Heritage Walks:

In order to create awareness about various historical monuments in Chennai, TTDC has launched heritage walks themed around history and heritage in collaboration with renowned historians.

One such event was the Heritage Walk organized by TTDC at Fort St. George, Chennai as a part of World Tourism Day celebrations. The Heritage Walk covered Cornwallis Cupola, Fort Museum, Parade Square, St Mary's Church, Wallajah Gate, St. George's Gate and St. Thomas Street. The event garnered great reviews and appreciation.

2. Heritage Cycling trails:

To explore the rich historical heritage of Chennai, TTDC has launched four new Heritage Cycling trails in Chennai. Trails launched as a part of this initiative include Portuguese Trail, Armenian Trail, American Trail and George Town Trail.

3. Photo Walks:

Inclusive photography walks and workshops were organized by TTDC at Kapaleeswarar Temple in Mylapore, Parry's Corner Flower Market and Weaver's Market in Chintadripet for differently-abled participants on the themes of culture, architecture and heritage.

On the occasion of the World Disability Day, TTDC partnered with Madras Photo Bloggers, Nam Veedu Nam Ooru Nam Kadhai and Sony Alpha to organize an inclusive photography tour to Mamallapuram for differently-abled photography

enthusiasts on 03.12.2021. The event encouraged persons with disabilities to travel and pursue their passion for photography. A sign language interpreter was also provided for assistance and better understanding.

20. Marketing initiatives of TTDC

The Marketing division of TTDC is responsible for carrying out effective marketing of TTDC tour packages, hotels and boat houses. Various marketing strategies have been formulated to promote TTDC hotel properties and tour packages to improve the occupancy ratio and increase revenue.

To attract fitness and history enthusiasts, new weekend recreation events like Heritage Walks, Heritage Cycling Trails, Photo Walks and Beach Yoga are being organized regularly. Through influencer marketing campaigns, TTDC has been engaging social media influencers to popularize TTDC properties and restaurants.

To encourage post-pandemic travel and increase bookings of Hotel Tamil Nadu properties, a theme-based special discount campaign was introduced. MoUs have been signed with tour operators from other States to promote TTDC tour packages and increase revenue. Various tie-up arrangements have been made with Central Excise, ESI and EPFO under a deposit accommodation scheme for providing holiday home facilities at TTDC hotels.

20.1 Holiday Home-Deposit Accommodation Scheme

The Employees State Insurance Corporation, Chennai has deposited Rs.70.00 lakhs (Hotel Tamil Nadu, Ooty - Rs.35.00 lakhs and Hotel Tamil Nadu, Kanniyakumari- Rs.35.00 lakhs) under the Deposit Accommodation Scheme for two years from 01.05.2020 to 30.04.2022. Two Double Rooms each at Hotel Tamil Nadu, Ooty

and Hotel Tamil Nadu, Kanniyakumari have been blocked for their stay.

The Employees State Insurance Corporation, Madurai has deposited Rs.32.00 lakhs under the Deposit Accommodation Scheme for three years from 03.07.2020 to 02.07.2023. Two Double Rooms at Hotel Tamil Nadu, Kodaikanal have been blocked for their stay.

21. Fair Division

One of the important functions of TTDC is conducting fairs and festivals to promote the rich culture and heritage of Tamil Nadu.

Island Grounds, Chennai:

TTDC is promoting Island Grounds as a centrally located year-round event space suitable for hosting events and concerts of any magnitude.

Since 1974, TTDC has been conducting the annual Trade Fair i.e. India Tourist and Industrial Fair every year from December to March for a period of 70 days at Island Grounds, Chennai-9. Due to the COVID-19 pandemic, TTDC was unable to conduct the India Tourist and Industrial Fair during 2020-2021 & 2021-2022.

TTDC conducted the "Diwali Crackers Market 2021" at Island Grounds for 15 days from 22.10.2021 to 05.11.2021.

A live music concert by Padma Vibhushan awardee, Dr. Ilayaraja titled "Rock with Raaja" was conducted at Island Grounds on 18.03.2022. This event attracted more than 25,000 visitors.

The Department of Tourism and Department of Art & Culture jointly conducted the "Namma Ooru Thiruvizha" cultural programme at Island Grounds on 21.03.2022. More than 500 folk

artistes participated in this function and performed more than 30 varieties of folk dances.

22. e-Governance Initiatives of TTDC

TTDC has implemented various e-Governance initiatives in order to provide information about tourist destinations in Tamil Nadu and enable hassle-free booking for TTDC hotel properties and tour packages through an online real-time reservation system.

TTDC appointed a Channel Manager to improve revenue and increase the presence of TTDC hotels on the websites of popular Online Travel Aggregators (OTAs) like Make My Trip, Goibibo, Booking.com, etc. The listing of Hotel Tamil Nadu properties on the websites of Leading Travel Aggregators facilitated seamless booking. This initiative also helped in popularizing and promoting the brand across the globe and thereby increasing the revenue.

As a result, TTDC has received 2,032 bookings from OTA platforms and earned about Rs.70.00 lakhs from September 2021 to March 2022.

TTDC has installed a feedback mechanism system at all Hotel Tamil Nadu properties for obtaining feedback from customers. The feedback has helped to identify shortcomings and improve service delivery. TTDC received 540 customer reviews and feedback from September 2021 to March 2022. TTDC has also revamped its website and made it more responsive and user-friendly. In order to increase its digital presence, TTDC created new Twitter, Facebook and Instagram handles to promote hotels, boathouses, telescope houses and tour packages operated by the organization.

23. New Initiatives of TTDC

23.1 Boat house at Valankulam Lake

TTDC is setting up a new boat house at Valankulam Lake, which is one of the popular tourist attractions in Coimbatore and a paradise for bird lovers and nature enthusiasts. In this regard, an MoU has been signed between TTDC and Coimbatore Smart City Limited. Solar-powered and electric powered environmental friendly boats will be an added attraction at this boat house.

23.2 Upgradation of facilities at Beach Island, Mudaliarkuppam

In order to upgrade Mudaliarkuppam into a world-class tourist destination, beachfront development activities have been taken up at a cost of Rs.50.00 lakhs. Some of the facilities for tourists include an entrance arch, eco-friendly shacks, conical thatched roof sheds, waiting sheds, palm trunk seating benches, restaurants, toilet-cum-shower cubicles etc.

23.3 Purchase of new varieties of boats

In order to cater to the growing tourist demand and to provide unique thrilling experiences, TTDC has introduced innovative and latest boats at its Boat Houses. Newly purchased equipment include canoe boats, water cycles, kids pedal boats, swan type boats and Zorbing balls.

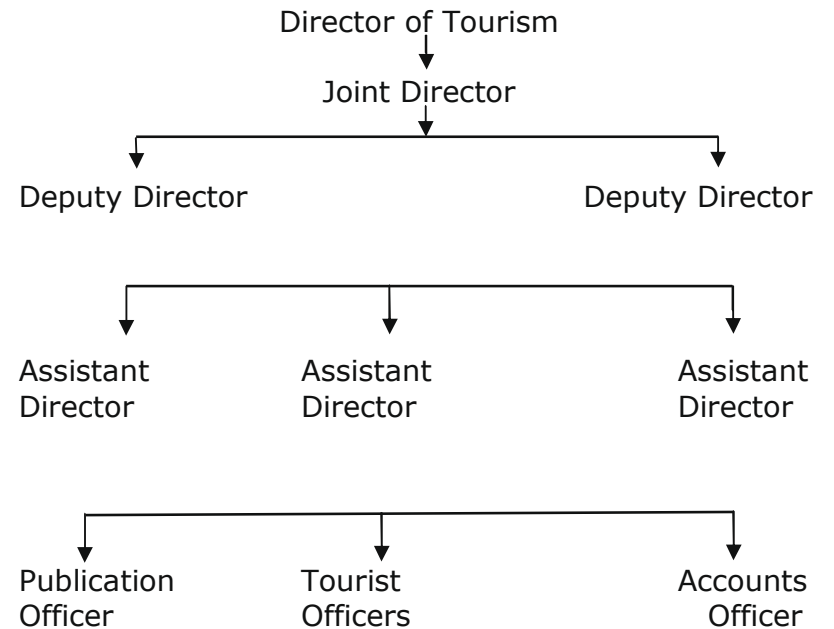

24. Conclusion

The Tourism Department is committed to develop and upgrade tourist destinations, promote lesser-known tourist locations and niche tourism sectors in coordination with various tourism stakeholders. The Department, through innovative strategies and tourism products, will promote and develop the tourism industry in the State and position Tamil Nadu as the most preferred tourist destination in the national and international arena.
